Part III DETAILED ACTION

Allowable Subject Matter

1. Claims 1-16 are allowable over the prior art of record.
2. The following is a statement of reasons for the indication of allowable subject matter:
As to claims 1-10, the prior art of record fails to disclose a check processing system in which checks submitted to a payee are entered directly into the check payment system (i.e. not via the collecting and clearing bank), having been endorsed by the payee on behalf of both the payee and the collecting and clearing bank. As to claims 11-16, the prior art of record fails to disclose a check processing system in which checks submitted to a bank of first deposit are entered directly into the check payment system (i.e. not via the bank of subsequent deposit), having been endorsed by the bank of first deposit on behalf of both the bank of first deposit and the bank of subsequent deposit.

Additionally, no prior art was found which in combination would have suggested such a system.
3. As allowable subject matter has been indicated, Applicant's response must either comply with all formal requirements or specifically traverse each requirement not complied with. See 37 CFR 1.111(b) and MPEP § 707.07(a).
